AUGUST 2023

## Inside This Issue...

- *MMOPA Convention Kicks Off in 4 Weeks*
- *Master Aviator Application Deadline is Aug. 15th*
- *MMOPA SEF Auction*
- *MMOPA @ Oshkosh*

### MMOPA Convention

The MMOPA Convention & Fly-In kicks off in just FOUR weeks! Don't miss your chance to connect with other MMOPA members at the Broadmoor!

[Register Now](#)

The MMOPA discounted rate room block cutoff date is August 9th. There are only a handful of rooms left Thursday through Monday, as Wednesday is already full.

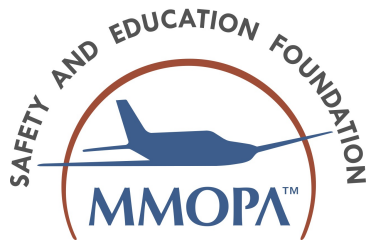

[Reserve Your Room Here](#)

### MMOPA Master Aviator Program

The 2023 MMOPA Master Aviator Applications are due by Aug. 15th to receive your wings at this year's Convention.

This program is the result of MMOPA having identified areas of flight operation that need improvement to increase safety. It provides a path forward for training for the PA-46 pilot, honors those pilots that elect to participate in the MMOPA Master Aviator Program, and rewards those pilots that progress upward to ultimately reach the highest level (MMOPA Master Aviator).

[Apply Now](#)

## MMOPA SEF Auction

Do you have items, services, experiences or second homes to donate to the Safety & Education Foundation auction? The proceeds from the auction contribute directly toward the Foundation's purpose to promote, support and fund safety initiatives, programs, resources and tools in order to reach our goal of **ZERO** PA-46 accidents/incidents.

[I'd like to donate!](#)

## MMOPA @ Oshkosh

Thank you to all who joined us at the daily meet and greets as well as the member reception during Oshkosh. It was great to reconnect with members, and, welcome all of our new members!
